Subject: RE: New Contact at Petroglyph - Additional Modification

Beau/Mike,

I have reviewed the modification and determined that it has been issued incorrectly. I am in the process of issuing a modification that revokes the one you just received for your area permit. The MAIP calculation is not consistent with the one we use for all Class II UIC permits.

Let's discuss next week – I am available Wed or Thur. One thought I have is that Petroglyph can submit a temperature log for each well where a higher MAIP is proposed. If the temp log passes our evaluation, we can modify the MAIP on a case-by-case basis.

Bruce,

Please see Mike's attached information.

Also are you saying that the new MAIPs are approved?

Thanks,

Beau Judge

Beau,

Thanks for letting me know – can you forward Mike's contact information?

Are you staying with Petroglyph?

Also, I issued the modification for the MAIPs, and don't believe anything is currently pending.
Good luck with your new opportunity!

Subject: New Contact at Petroglyph

Bruce,

I wanted to let you know as of this week if you need to contact someone with Petroglyph concerning the ongoing review of the MAIPs for Antelope Creek please contact Mike Hackney as I am moving on to other opportunities.

Regards,

Beau Judge

Engineer
